This Final Environmental Assessment has been prepared in accordance with provisions and requirements of 42 *United States Code* 4332 (2) (c) and 23 *Code of Federal Regulations* 771 and 774, relating to the implementation of the National Environmental Policy Act (NEPA) of 1969. The signatures above indicate verification that the content of the attached document/errata sheet accurately reflects the scope of this project.

**Federal Highway Administration
Finding of No Significant Impact**

**For
STPC-DPS-3854(1)
CN: 22508**

**Blair South Bypass
City of Blair, Washington, County, Nebraska**

The Federal Highway Administration (FHWA) has determined that this project will not have any significant impact on the human environment or natural environment. This Finding Of No Significant Impact (FONSI) is based on the enclosed Final Environmental Assessment which has been independently evaluated by the FHWA and determined to adequately and accurately discuss the need, environmental issues, and impacts of the proposed project and appropriate mitigation measures. It provides sufficient evidence and analysis for determining that that an Environmental Impact Statement is not required. The FHWA takes full responsibility for the accuracy, scope, and content of the attached Final Environmental Assessment.
